4 Terms and Conditions

Price Conditions

All prices are in Euro's, Net and exclusive VAT.

Payment Terms

PAYMENT SCHEDULE

Percent	Milestone
100 %	At Order Acknowledgement

Payment Conditions

30 days net.

Proposed planning

Schedule will be mutually agreed upon between Sibelco & ABB.

Validity

30 days from date of offer, except in the case of force majeure.

Pricing

All mentioned prices for ABB Materials are based on 2020 pricing and mentioned pricelists.

Third party materials are based on availability, pricing and technical specifications on date of quotation. ABB keeps the right to propose alternative and equivalent material based on availability on day of purchasing. Prices may change and will be communicated on a timely matter by the ABB project manager.

Safety Terms and Conditions

ABB will contract this agreement under the following conditions that the spaces in which the ABB equipment are established recent and perceptible are submitted to an inventory and evaluation of the security risks. The findings from that have been processed in concrete and effective security measures.

Preceding the commencement of the activities on location we expect being instructed by the contractor concerning the applying safety regulations. Also we request, before commencement of the activities on location, you make the applied safety regulations to ABB available.

If the observation by ABB are that the security measures are inadequate, we will withdraw our technicians from these dangers by postponing the activities until ABB is convinced that the situation is safe.

General Conditions

ABB general conditions apply to all offers and orders from or to our company and all agreements made with our company. At your request a copy of the conditions relevant to you will be sent to you immediately.

Warranty

24 months limited part warranty. See ABB CRS' s warranty document.

COVID-19

The Parties are aware of the current outbreak of the Coronavirus (COVID-19) which may impact normal business and execution of the order. The Parties agree that ABB is entitled to cost compensation, time extension and other reasonably required adjustments of the order, if any consequences whether directly or indirectly resulting out of, or in connection with the Coronavirus, lead to delays or incurred cost or otherwise affect ABB's obligations or duties. Penalties, (liquidated) damages or other fines, if any, shall not apply for delays if and to the extent the delays are caused either directly or indirectly by the Coronavirus.
